# LIGHT WEIGHT, PORTABLE, PLUG & PLAY, EASY TO INSTALL DISINFECTION CHAMBER

**Delivery to whole  
Malaysia**

- 1 unit of 4' x 4' x 7' disinfection chamber (Complete knocked-down)
- 5 units of sprinkler
- 1 unit of 5 liters reservoir
- 1 unit measuring cylinder
- 1 unit of pump
- 1 unit of motion sensor
- 1 set power control
- 1 set of goggle, glove, face mask
- 1 set of signage
- 1 set of installation manual

- 1 liter of concentrated disinfectant (Quaternary Ammonium)
- Last for 36,000 times disinfection (Suggest 5s per disinfection) or
- Last for 3 months for 100 workers with 4 times disinfection daily
- 1 set of Safety Data Sheet and Certificate of Analysis

**Suitable for SME  
and offices**

**OPTIONAL**

**RM100**  
1 liter disinfectant

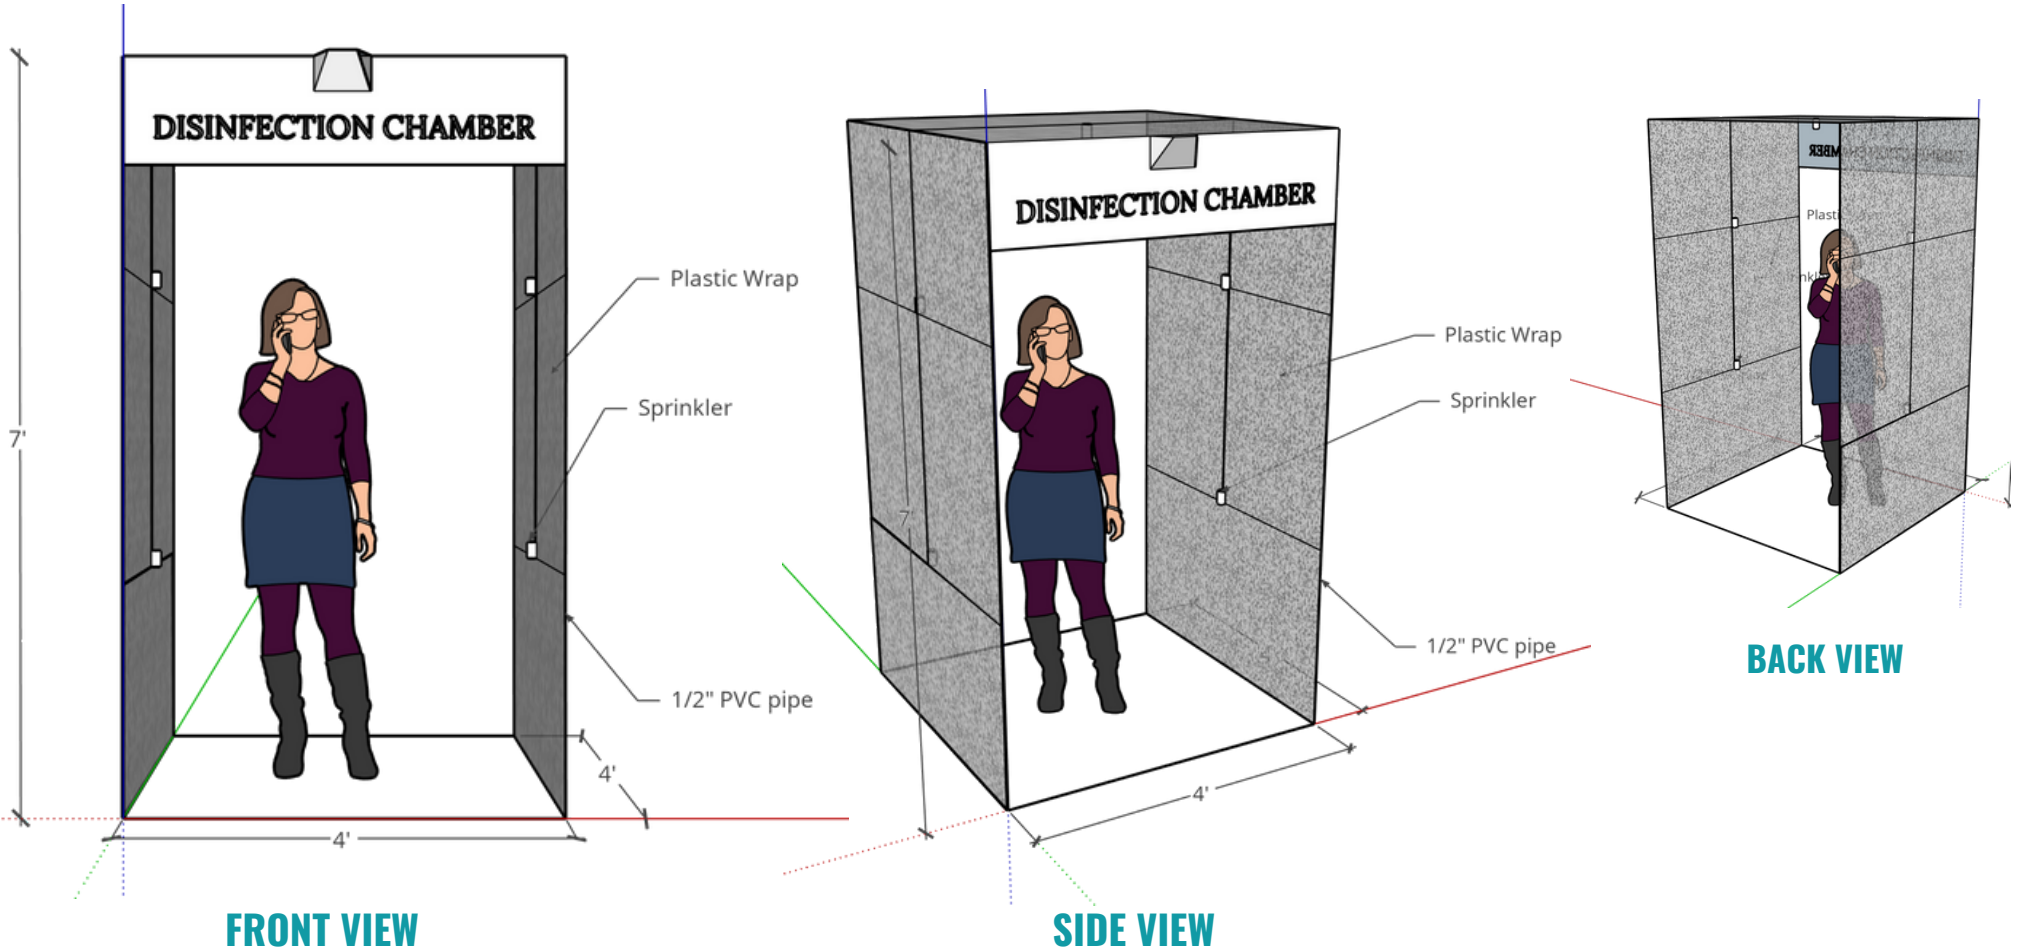

**RM800**  
Installation

## TECHNICAL SPECIFICATIONS

Material Structure	1/2" Hard PVC pipe
Finishing	Plastic stretched transparent wrapping
Mechanic	Mist module come with plastic nozzle and P.U Tubing
Size	4 feet(L) x 4 feet(W) x 7 feet(H)
Design	Lightweight, portable, plug and play chamber. Easy to install and suitable for SMEs and offices.
Power Supply	230V ac. Come with 12V 5A AC/DC adapter
Type	Tunnel
Sprinkler Nozzle	5 units
Pump Module	80W single direction durable water pump
High Pressure Hose	10 meters
Automatic Sprayer (Infrared sensor)	1 unit
Spray Time	5 to 7 seconds / disinfection
Operation durability	Non-Stop come with sensor control
Liquid / Chemical Capacity	5 Litres reservoir
Warranty	1 to 1 exchange (1 month)
Installation	Optional
Delivery	14 business days (Whole Malaysia)

## PACKING LIST

Parts	Quantity
1/2" PVC elbow	8 units
1/2" PVC tee	18 units
1/2" PVC socket	15 units
2' PVC pipe	30 units
21" PVC pipe	8 units
1/2" PVC pipe	8 units
1' PVC pipe	4 units
PVC glue	1 unit
Plastic wrapping	2 rolls
Signage (4' x 1')	1 set
Motion sensor	1 unit
Enclosure box (Timer, Relay)	1 unit
5 litres reservoir	1 unit
Sprinkler nozzle	5 units
5 meters PU tubing	1 unit
80W single direction durable water pump	1 unit
20 ml measuring cylinder	1 unit
Goggle, glove, face mask	1 set
Installation manual	1 set
Disinfectant Safety Data Sheet	1 set
Disinfectant Certificate of Analysis	1 set
1 litre concentrated disinfectant	1 unit
